INNOVATION IS TIMELESS TO CREATE THE HOSPITALITY IN YOUR DREAM SPACE

Along with our 30 years precious experience in the industry, We have been involved and served range of domestic and overseas hospitality projects. We are pleased to be your side by side partner in actualizing your spatial concept especially by creating furniture with a good design, quality and function. Our scope of works are to construct luxurious room, pleasant and comfortable public space indoor as well as outdoor and to create an attractive element in every corner of your project.

The perfect combination between Indonesia natural materials which crafted by creative talent should help you realizing the concept of furniture: classic, modern, colonial, and contemporary.
